eBench

Judicial Decision Support System

eBench – aiSmartBench

Features

- Quickly locate a word or phrase within a specific document or across all documents in the case
- Create personalized research folders
- Annotate selected documents with private or shared comments
- Add notes to a case and control who can view them
- Create an on-the-fly index allowing you to jump to key information in long documents

Integrates with the CMS, does not replace it.

eBench – aiSmartBench

Benefits

- Easily work with digital documents
- Better than paper
- No paper case files
- Improve efficiency
- Save time

A CMS for the judges.

The screenshot displays the aSMARTBENCH software interface. On the left, a sidebar contains a 'Select Case' section with a table of documents. The main area is divided into two panes: 'Manage Image' (top) and 'Notes' (bottom). The 'Notes' pane shows a legal document with a header, case information, and a list of charges. A vertical stamp on the right side of the document reads 'FILED FOR RECORD R.B. SHORE 2009 DEC 22 AM 10:04 CLERK OF THE CIRCUIT COURT MANATEE CO. FLORIDA'. The bottom of the interface features a 'Personalize Glance Layout' section with various toolbars and a 'Financial Information' section.
